The St. Johnsbury Emergency Dispatch Center is requesting bids and pricing to replace a fixed site repeater with a P25 compliant repeater and antenna system, located on Parker Avenue in St. Johnsbury, Vermont. Desired repeater would be completely compatible with existing radio equipment and capable of simulcasting. It is the intent of St. Johnsbury Emergency Dispatch to solicit proposals for a fixed site repeater in accordance with the requirements in the proposal below.

Scope of desired work:

- Provision and installation of a P25 compliant UHF 100W, AC/DC radio repeater;
- Compatible with all existing radio equipment;
- Capable of transmitting from Parker Avenue without any modifications to the main console.

Any exceptions should be clearly marked with a written explanation outlining the benefit.

Project timing is Spring 2020.

Questions on the project should be emailed to Dispatch Operations Manager Anthony Skelton at askelton@stjvt.com with "Question Repeater" in the subject line, or call the St. Johnsbury Emergency Dispatch Center at 802-748-2314.
