The meeting was called to order by Chairman Rust at 4:00 PM.

Town Manager Discussion – Mr. Rust said he had response from three possible replacements for the interim Town Manager position and should have the resumes from the individuals to distribute by Tuesday. A tentative meeting was set for Wednesday August 4 to interview the three applicants, with a projected date of October 1, or November 1 to have the new Town Manager in place.

Mr. Rust had two messages from the office received for the Town Manager, which were reviewed by the Board.

Mr. Rust reported that he and Martha Hanson and the Zoning Board vice-chair were to meet and review any possible temporary replacements for Priscilla Messier in the zoning office.

Sandy Grenier asked about the approval for the accounts payable checks to be distributed this week. It was agreed that Bryon Quatrini would continue to review the invoices, and one other Selectboard member, for distribution of the checks.

In response to a question from Al Dunn, Mr. Rust said that one of the three interim town manager applicants is a local person.

On a motion by Bernard Timson, seconded by Rod Lamotte, the Board adjourned at 4:10 PM.

Respectfully Submitted,

Ida W. Rainville
